

Charlie Vest

ASSOCIATE DIRECTOR

Charlie Vest is an Associate Director on Rhodium Group's corporate advisory team. He manages research and advisory work for Rhodium clients and contributes to the firm's research on US economic policy toward China.

Charlie holds a Master's degree in Chinese Economic and Political Affairs from UC San Diego and a Bachelor's degree in International Affairs from Colorado State University. Prior to joining Rhodium, he worked in Beijing as Research Manager for the China Energy Storage Alliance, a clean energy trade association.
